The background is a warm yellow-orange color with faint, stylized floral patterns. Several large, stylized flowers are scattered around the text: blue flowers with white centers, yellow flowers with white centers, and a large yellow flower with a white center. The word "PETAL" is written in a playful, rounded font with each letter inside a flower shape. The word "PARK" is written in a large, bold, serif font.

# PETAL PARK

Welcome to Petal Park, a vibrant garden-themed activation bursting with colour and springtime fun. Surrounded by towering inflatable blooms, kids can enjoy classic garden games like croquet, then head to the craft station for rotating workshops—from balloon modelling to sunglass decorating.

With plenty of playful photo moments and hands-on creativity, Petal Park brings the joy of the outdoors inside.
